A VOLUNTARY AIDED CHURCH OF ENGLAND SCHOOL SERVING THE DIOCESES OF CHESTER AND LIVERPOOL

Admissions Policy Statement

Sir Thomas Boteler Church of England High School is situated in the Archdiocese of Chester. It serves the Diocese of Liverpool as well as the Diocese of Chester and is maintained by Warrington Education Authority. Parents should be aware before applying that in this school RE, collective worship and our whole ethos are based on the teachings of the Church of England.

The school serves, in the first instance, children who have (or whose parent/parents have) a commitment to the life and worship of a Christian Church, that is a member of Churches Together in Britain and Ireland.

The partner primary schools associated with the school are:

- Alderman Bolton Primary
- Latchford St James' Primary
- St Elphin's C of E Primary
- Oakwood Avenue Primary

As a Voluntary Aided School, the Governing Body is the Admissions Authority and is responsible for the allocation of places. The Local Authority will inform parents of the allocation decisions on the school's behalf. Sir Thomas Boteler Church of England High School follows the rules set out School Admissions Code and the School Admission Appeals Code for Warrington Borough Council.

We openly welcome visits from prospective parents/carers. Please contact the school for a convenient appointment. Our school website and handbook contain further information about our school.

Admissions Procedure

Criteria

The governors will admit up to **165** children in Year 7 in September 2017. If there are more than 165 applications, places will be allocated according to the following criteria in the order of priority stated.

1. Children in care (and all previously looked after children). Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Siblings of children currently attending the school and expected to continue to attend the school in the following year. This includes full, half or step brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit.
3. Up to 17 places for:
 - a. children who have (or whose parent(s)/carer(s) have) a strong and dedicated commitment to the life and worship of a Christian Church, that is a member of Churches Together in Britain and Ireland (their website is <http://www.ctbi.org.uk/>), shown by worship at least twice per month for at least two years confirmed by the local minister on the application form.
 - b. children who have (or whose parent(s)/carer(s) have) a reasonable commitment to the life and worship of a Christian Church, that is a member of Churches Together in Britain and Ireland (their website is <http://www.ctbi.org.uk/>), shown by at least monthly worship for at least two years confirmed by the local minister on the application form.
4. Children attending primary schools associated with Sir Thomas Boteler Church of England High School (Alderman Bolton Primary, Latchford St James' Primary, St Elphin's C of E Primary, Oakwood Avenue Primary).
5. Children meeting criteria 3, but not allocated one of the 17 places (in the order of priority 3a, then 3b)
6. Children who have (or whose parent(s)/carer(s) have) some commitment to the life and worship of a Christian Church, that is a member of Churches Together in Britain and Ireland, shown by worship at least twice per year confirmed by reference from the local minister.
7. Other children.

Please note that, in addition to these criteria, section 1.6 of the school admissions code 2012 states that all children whose statement of special educational needs (SEN) or Education, Health and Care (EHC) plan name the school must be admitted.

In order to apply for a place in Year 7 at the school for September 2017 admission, you must complete the local authority's online common application form. This is available on the Council's website at www.warrington.gov.uk/admissions. Before submitting your application,

you are strongly advised to read the Parent's Information Booklet which includes useful information about the application process. A copy of the booklet can be viewed or downloaded by accessing the Council website at www.warrington.gov.uk/admissions. Hard copies of the booklet are also available to view at all primary schools in Warrington and Contact Warrington on Horsemarket Street, Warrington.

Parents of children not currently attending one of our linked partner primary schools are required to complete the school's own form in addition to the local authority form. This form can be obtained direct from the school.

It is not possible to change the order of your preferences for schools after the closing date unless there is, in the opinion of the admissions authority, a genuine reason for doing so, for example if you have moved address.

Letters informing parents of whether or not their child has been allocated a place will be sent out by the Local Authority in March 2017. If you have chosen to receive the offer information via email, you should receive this in March 2017 in addition to the letter. Parents of children not admitted will be informed of the reason why and offered an alternative place by the Local Authority.

Oversubscription

If there are not enough places to admit all applicants meeting any one criterion, the Governors will apply the subsequent criteria in order of priority to all these applicants.

In September 2015 the Planned Admission Number was 165 and the number of children admitted was 99:

Criterion 1:	0	Criterion 4:	54
Criterion 2:	28	Criterion 5:	0
Criterion 3a:	0	Criterion 6:	1
Criterion 3b:	0	Criterion 7:	16

0 children under Criterion 7 were refused places.

Parents

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend

Address of pupil

For allocation purposes the home address is defined as the address where the child normally lives, not a childminders or grandparent's address. Where a child lives with parents with shared responsibility the address given on the form should be the address of the parent who is in receipt of the child benefit and/or child tax credit. Proof may be required. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

Distance

In the event of two or more applications being considered as of equal merit by the Governors and there not being sufficient places available to admit all the equal merit applicants, the Governors will admit those living nearest the school, defined "as a direct distance". The distance will be measured in a straight line from the address point of the child's permanent place of residence to the address point of the school using a Geographical Information System based on the Local Land and Property Gazetteer.

Multiple Births

In respect of applications for twins, triplets etc the school will apply the oversubscription criteria in the normal way but will oversubscribe if a family would otherwise be split.

In-Year Admissions

These will be co-ordinated by the Local Authority in accordance with their Co-ordinated Admissions Scheme.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list, which will be held until the end of the Autumn Term. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted.

Exceptional Circumstances on Medical Grounds

Places at the school will be offered in accordance with the school's oversubscription criteria. However, the Governors may consider applications on medical grounds outside of the oversubscription criteria. Parents who wish their child to be considered on these grounds must provide proof from a medical practitioner or psychologist at the time of application in support of admission to a particular school. The governing body will consider the evidence and decide whether it justifies admission to the preferred school. The governing body, if it is considered appropriate, will seek the views of the local authority inclusion team or educational psychologist in the event of parents requesting admission on medical or psychological grounds.

Late applications for admission

Where there are extenuating circumstances for an application being received after the last date for applications, and it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all the others.

Otherwise, applications which are received after the last date will be considered after all the others, and placed on the waiting list in order according to the criteria.

Fraudulent applications

Where the governing body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent (for example a false claim to residence in the catchment area or of involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the governing body is required to withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

Right of Appeal

Parents who are not offered a place for their child have the right of appeal to an independent panel. Appeals should be submitted to the Clerk of the School Admission Appeal Panel, Town Hall, Warrington WA1 1UH within 21 days of the date of notification of decision. For pupils who have a statement of special educational needs any appeal with regard to the school named in the statement would be to the Special Educational Needs and Disability Tribunal rather than the Independent Appeals Panel.
