OUR RESPECT AGENDA UNDERPINS EVERYTHING WE DO.

R Rights and Responsibilities

All individuals have the right to feel safe in school and the right to be treated fairly, with respect. Students must follow the school rules and responsibilities, including the rights of all individuals in the school community.

E Ethos

Through God, we care. All of our work is underpinned by Christian Values.

S Self

Students make positive contributions in lessons and to the wider life of the school, taking pride in their efforts. Individuals will have high expectations, high aspirations and high standards in all they do.

P Property

There is a clear respect for other people's property and work that is displayed around the school. Students are required to report any theft or damage to the nearest member of staff.

E Environment

We benefit from working in a clean and tidy environment. We belong to the same community and we must show respect for our surroundings, equipment and resources. No member of the school community should ever drop litter, use chewing gum or eat outside of the designated areas.

C Culture

All members of the school community are valued. Students must be polite and courteous to each other, showing respect for the feelings and beliefs of others. Discrimination will not be accepted and we demonstrate respect and tolerance of different faith, race and ethnicity.

T Teaching and Learning

Teachers have the right to teach and learners have the right to learn. This right must be respected by all.
