

## Boteler Teams Undefeated in 2010

In our last Warrington Schools match of the year the Y9 basketball team easily overcame an enthusiastic but inexperienced Great Sankey team in spite of wasting many opportunities to extend the winning margin well beyond the eventual 39 points difference between the teams.

The final score of 54-13 was an accurate reflection of the ability of both teams with Boteler stronger

and faster than their opponents in almost every position. As is often the case, playing against weaker opposition seemed to adversely affect our team and we often over-complicated what should have been a simple job; repeatedly failing to capitalise on excellent defence by delaying our outlet passes in transition and through missing unopposed layups.

Nathan Weaver, Josh Carmichael and Renz Kae Agpoon were all very solid in defence and Great Sankey were unable to find a way through our mobile man to man marking system. Jack White went past defenders with ease as did Sean Wells-Reardon but whilst never in trouble we took a long time to establish a margin of comfort. When Cameron Burrows came on and efficiently converted a series of fast break opportunities into points the game began to look safe.

In the second half we were able to rotate our players with everyone getting plenty of court time. Jacob Lloyd played with far more composure and once again top-scored. In his first game, Matthew McCready scored three baskets including a nice jump shot from almost on the baseline and Dylan Waters also got on the score sheet. Time and again the athletic Kieran Jones won us the ball through interceptions and linked with our breaking point guards.
