Dear Student

KS3 WA2 Internal Assessments: 22 March – 1 April 2021

We will be running KS3 WA2 Internal Assessments in the 2 weeks between Monday 22 March and Thursday 1 April 2021.

All assessments will be sat in the classroom under exam conditions.

Enclosed is your timetable, which has already been completed with the dates and times for your Maths and Science Assessments. English assessments may have already been completed during remote learning. If not, then your English teacher will tell you the date and time of your English assessment. Please make sure you write it on your timetable.

Your other teachers will provide you with the dates and times of your assessments in the rest of your subjects and YOU must ensure that you write these on your timetable.

You need to bring all the necessary equipment required for each subject (including a **scientific calculator for the maths and science assessments**).

If you have any concerns or questions, please contact me.

Yours faithfully

Miss J Morris
Examinations Manager
