Dear Parents/Carers

I am writing to you formally to inform you that following the consultation we will be altering the school day. However we have made some tweaks following your comments. There was an overwhelming response to the consultation with the vast majority in favour of the proposals. However, that is not to say that other people were not in support they just had comments or concerns that I needed to look at. I have tried to make it fit all the requests where possible. However I have to act in the best interests of the young people.

You will be able to find responses to all the comments by visiting <https://tinyurl.com/stbpccomments>. I have anonymised them where names were included.

The new school day is illustrated below. We appreciate there may be a couple of issues for some, but we will work with you where we can.
