Dear Parents and Carers,

Uniform standards and maintaining the highest of expectations plays an important role in the success and learning of young people at our school. PE kit is part of our uniform and there is no exception. Being organised for September is key and we recommend you order new PE kit as soon as possible please.

Please ensure students come prepared for PE lessons and wear the following items:

### Compulsory Bottoms:

- Boteler Shorts or Boteler skort or Boteler leggings, other items are not acceptable
- Classic navy sock (only required to be worn with the shorts and skort)
- In the colder months students can also wear tracksuit bottoms (Tek pants). These are also useful as a warm up layer for students who represent the school teams.

### Compulsory Top:

- Blade T-Shirt and/or Rugby shirt
- Students can also purchase the 'Performance Top' which acts as an additional useful layer for representing the school or in the winter months. Students are also permitted to wear plain dark coloured 'skins' / under layer if they choose to when the weather is particularly cold.

### Optional Products

- BTEC / GCSE PE Polo Shirt (Year 10 and 11 students only)
- Warm-up Performance Top
- Blade Short
- Tracksuit Bottoms (Tek Pants)
- Waterproof Jacket

Our PE kit supplier is SurrIDGE Sports and can be purchased online by clicking on the link below:  
<https://www.surridgesport.com/sir-thomas-boteler-school>

Orders purchased can be posted to school free of charge and will be given to students upon delivery or items can be posted to a home address for a small additional extra charge.

Students must not wear hoodies or additional branded clothing other than the school PE kit as prescribed above. Cycling shorts are also banned and not appropriate.

Thank you for your support in maintaining high standards. If you require further information or you have any questions regarding PE kit please contact Mr Burbidge (Head of PE) via email [cburbidge@boteler.org.uk](mailto:cburbidge@boteler.org.uk)
