RE: TCAT COVID GUIDANCE

Dear parents/carers,

You will be aware that government guidance, and the legal position, around Covid 19 has changed and as such we are clarifying our own guidance to staff and students within school.

Whilst we have moved away from routine asymptomatic testing, if staff or students do have symptoms of the virus, they should take a test and, if positive, they should isolate for a minimum of 5 days and until two negative test results are received on two consecutive days in line with government guidance.

There is no change to testing arrangements for staff and students in alternative provision and SEND. We will continue to offer testing kits and encourage regular twice weekly testing to these members of staff and students.

Yours faithfully

Mrs Beverley Scott-Herron
Headteacher
