Dear Parents and Carers

As you are aware, your child has been given the opportunity to participate in the Inspiring Futures project in association with the Warrington Wolves Foundation and Manchester Metropolitan University. Please accept my apologies for the delay in students starting this programme, we have been waiting for confirmation from the main deliverers.

I am pleased to announce that the start date is Monday 9<sup>th</sup> May and every Monday (except school holidays) thereafter for 12 weeks. Sessions will take place mostly at the Halliwell Jones Stadium with a couple of sessions scheduled at school.

Students will need to come to school in full PE kit. Uniform and school shoes must be brought to school so that they can change following the session. Students will be taken to the stadium and return to school in our school mini bus and they will be accompanied by a member of Sir Thomas Boteler staff at all times.

Most of the sessions will last 2 or 3 hours with some lasting the full day. The tutor will inform students of details of their next session and the expectations for the following week. The programme delivery will focus on activities which will help to improve the wellbeing, resilience and confidence of our students. This will lead to an increased ability to form positive social relationships, recognise and react to mental fitness concerns, raise awareness of risky behaviours and have an enhanced attitude towards the value of education.

There may also be opportunities for families, parents and carers to work with trained professionals to tackle situations and problems that may arise in the community or domestically. The main aim is for students to realise their potential, embrace opportunities for self-improvement and inspire them to make effective life choices.

Thank you for your support and we hope our students embrace this opportunity. If you do have any questions please do contact [cburbidge@boteler.org.uk](mailto:cburbidge@boteler.org.uk).

Yours faithfully

Mr C Burbidge
