We will meet at school in the morning and walk to the start point. Please collect a letter from Mrs A Mawby if you are interested.

Chester University

Thank you

We would like to thank Spencer Interiors who have donated a large amount of wallpaper and fabric samples recently. The Eco art club has produced some fabulous lanterns with some of them and have plenty more ideas for the materials.

Year 10 Apprenticeship and Job Fair

On Friday 15 Year 10's visited Andy Carter (MP's) Apprenticeship and Job Fair in the Parr Hall. 1,000 local people attended either looking to change jobs or get back into work, seeking advice on apprenticeships and training opportunities, including students considering their future career paths. The fair showcased more than 40 local employers ranging from engineering, construction, tourism, logistics, health and social care, education, energy, police and fire, the Civil Service and more. Our students had a wonderful time chatting to employers and came away with lots of information and new ideas for the future, some even enjoyed making mocktails and drank these whilst chatting to the exhibitors and collecting the all-important free stationary!'
