

Explanatory notes for Year 11 Exam and Revision Timetable Summer 2022

All students will attend their normal scheduled lessons up until the Y11 leaving date of **Thursday 23rd June** unless:

- Students are sitting an exam
- Students are attending a revision session. All revision sessions are compulsory if a student studies that subject

Example

Period Three
Maths
DT Rev

Students who study GCSE Design and Technology will not go to their normal Maths lesson and will go to Design and Technology revision. At this time ARN should have been teaching Y8. The Y8 class will be moved to another class room with SLT/Cover supervisor covering the lesson.

Example

Period Three
History/Geography
11 Maths Rev

All of Year 11 will attend Maths revision sessions. NO students will go to their normal History/Geography lesson. Staff who should have been teaching Year History/Geography lesson will supervise/cover the Maths departments "normal" lessons with these classes being moved to another classroom.

If students have sat the terminal exams in your subject (so have essentially "finished" it), they will still attend the lesson for supervised study where they can revise for their other subjects. Students will bring revision materials with them to these sessions.

- All revision sessions will be taught in the room where Y11 are normally taught
- Any room changes for that day will be displayed in the front reception area. Notices will also be displayed on classroom doors where room changes are required for relocating classes
- Students are to attend school in **full uniform** for **ALL revision sessions, Exams** and the **Year 11 Leavers Service** on **Thursday 23rd June**.

Year 11 Option Block Subjects

Option Block A:

French

Design and Technology

Art

Hospitality

Option Block B:

Geography

History

Option Block C:

Sport

Dance

Acting

Enterprise

Design and Technology

Option Block D:

Triple Science

Sport

Hospitality

Computer Science
