

SIR THOMAS BOTELER CHURCH OF ENGLAND HIGH SCHOOL. GRAMMAR SCHOOL ROAD. WARRINGTON. WA4 1JL 🕴 01925 636414 🕴 INFO@BOTELER.ORG.UK

#### DATE 29<sup>TH</sup> SEPTEMBER 2023 **VOLUME 3**

**Dear Parents/Carers** 

We have had a very busy but enjoyable week.

The main focus for us this week was Open Evening and whilst I appreciate that this is for future students, our current students were very much a huge part of its success.

The Evening demonstrates the Boteler Family in all its glory, but the main reason for why we are oversubscribed and so successful is because of your young people. We had over 150 students supporting and helping in a variety of roles and the majority are a part of our Ambassador programme. Our young people took the families on tours; the feedback was overwhelming and actually made me feel quite emotional and incredibly proud.

Listening to how our young people talk and feel about the school is something I think everyone should get to hear. The passion and dedication they have towards their subjects and teachers is so powerful. They love the fact they belong to the Boteler Family, that they feel heard and most importantly that they are happy.

We do not train our young people what to say because always want them to speak the truth and from the heart. I appreciate that some may think that is risky, but we don't. When deciding on a high school you want the true picture and to know what it is like day in day out. I am always honest as I know we are excellent at many things, but I also know there are areas to improve and that is why we have an action plan. We want to be the best we can be. In education there will always be things to improve on and we always rise to that challenge.

Every young person in school makes us who we are and everyone has an important role to play. As long as we always focus High on our Expectations, High Aspiration and High Standards we know that we will succeed.

Have a lovely weekend.

Best wishes

**Beverley Scott-Herron** 

Headteacher

# **OUR SCHOOL RULES**

AT SIR THOMAS BOTELER CHURCH OF ENGLAND HIGH SCHOOL YOU MUST BE:

## SCHOOL RULES — READY, RESPECTFUL AND SAFE

School rules play a crucial role in maintaining a safe, structured, and conducive learning environment. Here at school, we aim to keep the rules simple and easy to understand, therefore, we ask students to be **READY**, **RESPECTFUL** and **SAFE** at all times. We work hard on the consistent application of these school rules because we know that they serve several important purposes, including:

**SAFETY**: School rules are designed to ensure the safety of students, staff, and visitors. Rules about behaviour, dress code, and the use of equipment help prevent accidents and injuries.

**<u>ORDER AND DISCIPLINE:</u>** School rules provide a framework for maintaining order and discipline within the school. They help establish a structured and predictable environment where students can focus on learning without disruptions. Rules related to classroom behaviour, respect for authority, and consequences for misconduct help create a positive learning atmosphere.

**PROMOTING RESPECT AND RESPONSIBILITY:** School rules emphasise values such as respect, responsibility, and fairness. By adhering to these rules, students learn important life skills and values that are essential for their personal and social development.

**<u>ACADEMIC FOCUS:</u>** School rules can support academic excellence by minimising distractions and ensuring that classroom time is used effectively. Rules related to punctuality, attendance, and the use of electronic devices help create an environment conducive to learning.

**PREPARATION FOR THE FUTURE**: Following school rules teaches students about the importance of adhering to rules and regulations, which is a valuable skill in both their academic and future professional lives. Learning to respect deadlines, follow instructions, and work within established guidelines prepares students for success in the real world.

<u>INCLUSIVITY:</u> School rules can also play a role in promoting inclusivity and equity. Rules that prevent discrimination, harassment, or exclusion based on factors like race, gender, or disability contribute to a more diverse and inclusive school community.

Parent and carer support in ensuring their children understand and follow rules is crucial to them reaching their full potential, and we very much appreciate the partnerships we have with all of our families.

#### **Attendance Matters at Sir Thomas Boteler Church of England High School**

Students who have very good attendance are more likely to gain 5 or more Level 4 or above GCSEs or equivalent qualifications.

Students whose attendance is 100% will be able to make the best of all the opportunities available to them here at Sir Thomas Boteler church of England High School

Our School target for each student is 96% or above.

Punctual and regular attendance is an essential requirement for successful learning. You need to be in school to achieve your best.

A student who ends the school year on 90% attendance will have missed four complete weeks of school.

90% over 5 years at secondary school equates to half a school year and the achievement at GCSE will be one grade lower

#### **Holidays**

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
- Go on family visits and days out
- Go on holiday
- Go shopping
- Attend routine appointments

Taking a holiday during term time seriously affects your child's attendance and their attainment. Booking holidays during term time may result with involvement from the Attendance team at the Local Authorities.

#### The Law

- The Education Act 1996 requires parents to ensure their children of compulsory school age receive efficient full-time education.
- The law says that parent/carers whose children of compulsory school age are absent from school without a good reason are committing an offence

#### **Personal Development**

Next week we welcome Higher Horizons into school. They will be delivering workshops on Post 16 to Year 10 and 11 during their PD lessons.

#### Year 11

Year 11 received an assembly from Warrington Vale Royal College on Monday which raised their awareness of their options post 16.

Please take a look at the application process for college:

Warrington Vale Royal <a href="https://wvr.ac.uk/">https://wvr.ac.uk/</a>

Priestley College https://www.priestley.ac.uk

Cronton and Riverside <a href="https://www.cronton.ac.uk/">https://www.riversidecollege.ac.uk/</a>

If you would like to meet with our career advisor (Kim Dickson) with you child please call reception to book a time. Kim is in schools on Tuesday and Wednesdays.

#### Year 8

Year 8 received an assembly from the RAF this week. They were given information on joining the cadets.

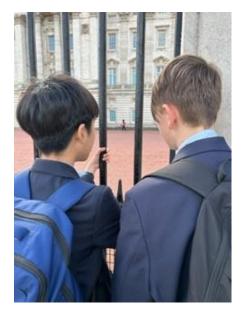

#### Year 11 Parents' Evening

Year 11 Parents' Evening is **Monday 2<sup>nd</sup> October 2023**. The reason for holding this evening early in the school year is to enable our subject teachers to discuss your child's performance in the Mock Exams they sat at the end of Year 10 and for you to have an understanding of what they need to do in order to ensure they succeed. As you are aware, this is the most important year of your child's education so far. We will also be able to provide you with information around future key assessment dates. Our subject teachers will also explain the support and interventions that will be provided. We absolutely want the very best outcomes for your child and these conversations are crucial in securing these.

This Parents' Evening will be **face to face in school** and all teachers are looking forward to having conversations in person. We will be using **School Cloud** as a booking system which allows you to book the appointment times that are convenient for you and is more efficient than your child having to book appointments with subject teachers on your behalf. Appointments will be available from **3:30pm-7pm. Bookings are now live.** 

#### **London Parliament Visit**

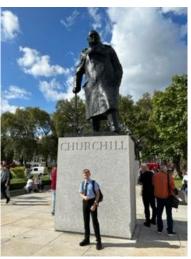

Students involved in our School Council and Student Leadership Body had the opportunity to tour the Houses of Parliament on Friday  $22^{nd}$  September, as well as explore key sites in London such as Buckingham Palace and Trafalgar Square. They thoroughly enjoyed the guided tour through the Palace of Westminster and had brilliant questions as they walked around, many comments were made regarding their exemplary behaviour and we are incredibly proud of how they represented our school that day.

- Year 11 Cronton College Assembly Monday 2<sup>nd</sup> October
- Year 11 Parents' Evening Monday 2<sup>nd</sup> October
- Conservative Party Student Conference Visit Tuesday 3<sup>rd</sup> October

# THE LIBRARY IS OPEN EVERY LUNCH TIME FOR QUIET READING

<sup>\*</sup>Times relate to training sessions only. Fixtures will finish approximately 17:15.

Do you know a student at your school/college who deserves recognition for a recent achievement or something they have done at home, school/college or in their local community?

# NOMINATE THEM FOR YOUR SCHOOL'S UNSUNG HERO AWARD!

# HOW TO NOMINATE

Submit your nomination(s) online by scanning the QR code below, or pick up a nomination form from your school/college's reception.

The closing date for nominations is Friday 1st December 2023.

## WIN

All nominations will receive a certificate, & your school's overall winner will be awarded the Unsung Hero trophy at a presentation assembly.

### **NOMINATION FORM**

If you know a student at your school/college who deserves recognition for a recent achievement or something they have done at home, school/college or in the local community, then nominate them for Vision for Education's Unsung Hero 2023.

You can make as many nominations as you want, but you will need to complete a separate nomination form for each person you nominate. Completed nomination forms should be given to your school/college's reception. Alternatively, you can scan the QR code below to submit your nomination online.

The closing date for nominations is Friday 1st December 2023.
