

**BARROW HALL COLLEGE OPEN EVENING
THURSDAY 16TH OCTOBER 2025**

6th October 2025

Dear Year 11 Student, Parents & Carers,

We would like to invite you to Barrow Hall College at Great Sankey High School's Open Evening. This is an excellent opportunity to experience what makes Barrow Hall College so special. Our year 12 cohort numbers have increased this year with year 13's summer results being our best ever! We are the only school based sixth form college in West Warrington, with fantastic results and exceptional pastoral care and guidance. We offer a wide range of enrichment and student leadership opportunities as well as our aspiring professionals programme, and high achievers programme, enabling us to offer students a full FE experience in a smaller community setting. Please note that this is our only open evening.

The evening will include a chance to attend subject presentations where subject teachers will be available alongside current students who will be there to answer any questions you may have. There will also be an opportunity to browse other subject areas, and there will be two presentations from myself as Director of KS5. The presentation will give an overview of what you as a parent/carer can expect from us at Barrow Hall College and the support that we offer our students.

If you would like to have a look at our courses and other provision prior to the event, please visit 'Our Sixth Form' pages on the GSHS website <https://greatsankey.org/college>. On the night, please use the green gate in-between the astroturf and the LiveWire building and make your way straight over to the college.

I look forward to meeting you on the evening and showing you what makes Barrow Hall College a fantastic place to study. Please note that we are in the process of upgrading the exterior of the building which will be ready for September 2026. This has not impacted on our current students' experience and will not affect our open evening.

Yours faithfully,

A handwritten signature in black ink, appearing to be "Helen Stones", followed by two dots.

Mrs. Helen Stones
Assistant Headteacher
Director of KS5
